

JAVA DEVELOPER

INTRODUCTION

Amaris is an independent, international Technologies and Management Consulting Group. Created in 2007, Amaris is already established in over 50 countries and supports 500 clients worldwide throughout their projects' lifecycle. Our expertise covers 5 areas of innovation: Business and Management, IT/IS, Telecom, Engineering and High Technologies, Biotech and Pharma. With 65 offices across the World, the Group offers proximity support to its clients in all their locations and many opportunities of international careers for employees.

In 2018, Amaris aims to reach a turnover of 260 million euros, 5000 employees and to develop its workforces with the anticipation of a further 2000 new job openings. We expect to triple our workforce within the next few years and reach a leading international position in independent consulting.
